USE VOICE ASSISTANT

With the Lotus, you have quick and easy access to your voice assistant, making the Lotus like OnStar for your body. Send texts, check weather, get directions, and much more.

CONTROL YOUR STYLE

Our accessories seamlessly integrate the Lotus into your wardrobe for virtually any activity, whether an evening jog to a night out on the town.

POWER ON THE GO

With over 7 hours standby, 5 hours of talk time, and 42 hours of battery life (when used with the included charging case), the Lotus is always ready to have you back.

The Seam Personal Safety App

The SEAM app works with the Lotus or can be used on its own, and is the easiest way to record and stream information about your situation to your trusted contacts, including location, photos, and audio, in real time. Your friends & family can see what you see, hear what you hear, and know where you are.
